1. Installation Enterprises, which come under the jurisdiction of the Ministry of Construction and Building Materials Industry, are divided into four sectors: 25X1
 - a. Sector No. 1 - includes enterprises under the Rumanian Workers' Party (PMR);
 - b. Sector No. 2 - includes the Casa Scintei enterprises in Bucharest;
 - c. Sector No. 3 - includes enterprises in Bucharest, Oltenita and Ardeal; and
 - d. Sector No. 4 - includes enterprises in Oltenita and Caransebes.
2. Sector No. 1: Enterprises in Sector No. 1 install plumbing, ventilators and heating systems in the homes of Rumanian Government and Party officials, Soviet diplomats and officials, artists and various other people in high position. All such installations are paid for by the PMR from special funds.
3. Sector No. 2: The enterprises in Sector No. 2 are engaged in installing plumbing, ventilators and central heating at the Casa Scintei publishing center. This work has been in progress for several years.
4. Sector No. 3: This sector handles work at the Otopeni and Cotroceni military bases and various rest homes belonging to the Ministry of Construction which are located in Calimanesti, Olanesti, Humedoara, and Fagaras. Over one-sixth of the engineers and technicians in Installation Enterprises have been sent to work on military installations in the Fagaras area.
5. Sector No. 4: This sector includes enterprises in Caransebes, Orsova and Turnu-Severin
6. Although activity at these enterprises is very intense, there still are lags in production because of the lack of qualified personnel. The Ministry of

Construction has only two enterprises which are engaged in public sanitation and central heating installations. These are Installation Enterprise No. 19, located at Strada Bibliotecii No. 4, Bucharest, and Installation Enterprise No. 21, Strada C.A. Rosetti, Bucharest. The Ministry also has Enterprise No. 18, located on Strada Campeanu, Bucharest, which handles electric installations and elevators.

7. The Central Depot of Equipment and Materials is located on Calea 13 Septembrie No. 143, Bucharest. The Enterprise Transport Service forms a part of the Central Depot and has at its disposal ten ZIS or Skoda trucks. Approximately 4,000 workers are employed in the Central Depot. Most of the porcelain supplies are obtained in Ploesti, however, domestically produced items are not of good quality.
8. Salaries for the workers have been substantially reduced as the norms have been reduced. Salaries of the workers range from 300 to 450 lei monthly. Salaries of 70 percent of the clerical workers range from 200 to 500 lei monthly; 15 percent receive 500 to 700 lei monthly; 10 percent receive 700 to 1,000 lei monthly; and 5 percent earn between 1,800 to 2,000 lei monthly plus monthly bonuses. This last 5 percent includes heads of departments.
